Appletree Inn & Suites , 201 N. 8th St. Independence, KS (620) 331-5500
August 11 - 13, 2010

Wednesday, August 11 – Meeting at Bethel College, Kaufman House, 2515 College Avenue, North Newton

10:00 a.m. "*Environmental Conflict Negotiation Workshop*" – Gary Florey & Ken Grotewiel, KIPCOR staff.
Purpose: to become familiar with facilitation techniques related to converting conflict to agreement

4:00 p.m. Workshop ends. KELP participants leave for Independence and the Appletree Inn

6:00 Check-in, personal time

Thursday, August 12

7:00 a.m. Breakfast – Appletree Inn

8:00 Meet at Independence Historical Museum, corner of 8th & Myrtle

8:15 "*Activity on Conflict Negotiation"* – KELP staff
Purpose: to reflect on workshop material related to conflict negotiation

9:00 *"Yesterday, Today, Tomorrow: Putting Kansas surface water quality monitoring into perspective"* - Elizabeth F. Smith, Bureau of Environmental Services, KDHE (785) 296-4332
Purpose: to understand why various types of sampling are used and how results are used

10:30 Break

10:45 " *Kansas WRAPS & NPS Plans and Implementation*" – Amanda Reed (KELP grad), Watershed Management, KDHE (785) 296-5567
Purpose: to discuss WRAPS and NPS, their relationship with TMDLs and clarify the Agency's role in watershed protection

12:00 p.m. Lunch at Museum, then prepare for field trip – wading clothing appropriate!

1:00 Leave on Field Trip – take vans to sites
Purpose: to experience various water sampling techniques and how they are interpreted

1:30 "*Water Bio Assessment and Invertebrate Sampling"* – KDW&P (620 672-5911)
"Water Chemistry and Surface Water Monitoring" – Phil Barnes, K-State Research and Extension, Bio and Ag Engineering (785 532-5813)
"Benthic Organisms in Kansas" Sean Lynott, KDW&P (620 331-6820)

5:00 Return to hotel, QUICKLY freshen up for Dinner at the Museum

5:30 Dinner

6:00 After-dinner Speaker – "*Public Participation and Collaboration for Watershed Improvement"* – Jim Triplett, Professor, Pittsburg State University (620 235-4730)
Purpose: to understand the partnership between the public and agencies to improve water quality and its uses

Return to hotel for ALP Team time – meet where ever you like!

Friday, August 13

7:00 a.m. Breakfast – Appletree Inn

8:15 Field Trip – Leave in vans to tour area efforts to reduce non-point source pollution.
David Stephens, Montgomery County Conservation District Manager & Jodi Cushenbery, NRCS District Conservationist (620 331-4860)
Purpose: to learn how watershed protection varies with climate, geography, and soils

10:30 Return from trip. Evaluation of Session 4. Applied Leadership Project Update/Wrap-up

11:15 Dismiss

Who will address Non Point Source Pollution in your watershed?

A Chinese general put it this way: If the world is to be brought to order, my nation must first be changed. If my nation is to be changed, my hometown must be made over. If my hometown is to be reordered, my family must first be set right. If my family is to be regenerated, I myself must first be.
~~~~ A. Purnell Bailey
