Q10: What local needs do you have

Building a strong, sustainable local economy, including local food economy. Promote an eat local mind set to benefit all sectors of the community, including prducers and consumers, all age and economic groups, and other local entrepreneurs. Extension sho

Community support and funding to build new fair grounds

Don't know

educate on opportunities - and understanding that you must seize the opportunity and not think it will stop and ask you to ride along.

Everything has been covered in the previous questions.

Getting more young adults involved. Our Homemakers Clubs are all elderly women.

I do not have any specific needs that were not already covered in the other questions.

I feel the survey targeted very important issues with agricultural communities in Kansas and I believe bringing as many resources to those communities to continue the agricultural growth is most important.

Increase the understanding of methods to insure rights of majority and minority opinions of issues and in organizations.

More business , more youth activities

More hands on type of programs

More involvement of youth in the decision making process for communities Leadership training in school system

Need better community involvement with youth; the older residents do not appear to support the youth of the community.

The biggest challenge I see was not mentioned in the survery which is daycare. The state of Kansas needs to rethink how they license daycares. As their current stucture is limiting the number of daycares in the rural area which in turn is creating one

To let local people know more about NEKAP and other options we have available in our county.

We need rescouses for families and youth to develope skills for lifelong success in a changing world.

We need to have these committees revitalized. Few if any people show up at our Ag PDC.

work on attracting people to the services of extension. Attendance and participation in extension programs locally are on the decrease, need inspiration to attrack residents to use the extension service as a resource.

Would like to see some programs for older population on exercise.
