Q10: What local needs do you have

I would like to see our community become more involved with the 4-H programs.

In our smaller communities we need to find a way to grow our population base to support all of our programs and education systems. The aging of our small communities is a concern. When I look around me at church or other events it becomes painfully obv

Involvement of community people in more volunteer services. Especially yound people.

Keep public informed and active in programs.

More education for our school age children on the importance of agriculture and how we all are dependent on agriculture even if we are not actively involved in agriculture. We also need more support for developing industry and businesses in small comm
State and County funding - We have been warned that there may be more state funding cuts coming. Rural counties are also having a tough time with finding dollars to support the extension programs.

teach or hold informational classes for those people that are low income or how to stretch their food stamp purchases and how to make wise food purchases and preparation of those purchases.

The questions above pretty well covers the issues that are important for our community.

To provide education on new agricultural developments to help better market pork and beef, and educate consumers to buy products.
