

The EH&S Message

K-State College of Agriculture

about your health & safety and our environment!

- C** = Comply with laws and policies
- A** = Achieve objectives and targets
- R** = Reduce pollution; prevent accidents and injuries
- E** = Educate staff and the community
- S** = Strive for continual improvement

Health, Safety, and Environmental Commitment Statement

Kansas State University's College of Agriculture is committed to maintaining a healthy and safe environment for its students, faculty, staff, visitors, and neighbors. We foster a culture of safety and environmental protection among users of all our facilities. Members of the College of Agriculture community should, therefore, comply with all environmental, health and safety laws, regulations, and with current best practices, especially in laboratory and field settings.

John D. Floros, PhD
Dean, College of Agriculture
