

Life Membership

Congratulations upon your retirement from K-State Research and Extension and to leisure, volunteer and/or new career activities. Alpha Rho Chapter of Epsilon Sigma Phi values the contributions of Extension retirees, and we would appreciate your involvement and participation in our chapter.

Therefore, we want you to know that you now have the opportunity to be affiliated as a retiree with Epsilon Sigma Phi by becoming a Life Member for a one-time payment of \$425.00.

Life Member status provides you with opportunities to "keep in touch" with Extension, your former colleagues and your fellow retirees in a variety of ways:

- Chapter and national newsletters
- Chapter annual meetings and special functions
- Serving on chapter and national committees
- Supporting professional development activities of younger staff members through our chapter and through the National ESP and Kansas Extension Endowment funds.

We hope you will take advantage of this opportunity to enjoy a lifelong membership in Epsilon Sigma Phi and join the more than 11,000 active and life members as we all support the programs of our National fraternity, which emphasize:

- Awards and recognition for professional excellence
- Improvement of staff benefits
- Scholarships and loans for professional development
- Commitment to Extension's educational programs.

To become a life member please contact the Alpha Rho [Chapter treasurer](#) to arrange for an invoice from the national office.
