

February 2015

To: Epsilon Sigma Phi Members

One of the benefits of belonging to Epsilon Sigma Phi is the opportunity to apply for a scholarship to attend a national professional conference.

June 1 is the application date for two scholarships that could help you attend a professional meeting this year. While June seems like months away it will be here soon.

The Jim Lindquist Administrative Leadership Scholarship can be used for any professional development experience with preference to the National ESP Conference or an administrative leadership conference that is regional or national in scope.

The Connie Hoch Leadership Scholarship can be used to pay for early bird registration for the National ESP Conference.

For more information click on "Endowment" to the left of this message.

BTW - the National ESP Conference is in beautiful Coeur d' Alene Idaho October 4-7, 2015.

Stacey Warner

ESP - Alpha Rho Chapter President
