13. In order to track the contributions that local Extension professionals make to community coalitions, partnerships and to whole communities please respond to the following questions.

To my understanding, this program has been conducted as (check all that apply):

Part of a grant-funded project called \_\_\_\_\_

Part of a community coalition or partnership where the local Extension professional's role is:

\_\_\_\_ **1) Convening and Networking**—creating networks among professionals practitioners, decision makers, funders and other stakeholders.

\_\_\_\_ **2) Knowledge Development and Dissemination**—helping shape a local vision for family and child development (e.g developing resources, funding, technical assistance, curricula and other materials, and making them available and accessible to others).

\_\_\_\_ **3) Standards Identification and Setting**— working with organizations to identify best practices and professional skills/competencies that support family and child development.

\_\_\_\_ **4) Training**—locating and creating training programs, providing training directly, and referring organizations to other sources of training for personal or professional development.

\_\_\_\_ **5) Management Assistance**—performing management functions for a coalition/partnerships (e.g. accounting, fiduciary support providing information on funding and raising funds; providing organizational development assistance on topics including board development, financial and facilities management, and information technology

\_\_\_\_ **6) Advocacy and Representation**— representing family and child development contributions and needs to stakeholders, decision makers, funders, and others on family and child development issues.

\_\_\_\_ **7) Accountability**—helping develop assessments and monitoring processes; participating in program documentation, evaluation and oversight.

\_\_\_\_ **8) Other:** \_\_\_\_\_

I am not sure of the local Extension professional's role in coalitions, partnerships or whole community programs.
