### STALLION REGISTRATION WORK IN KANSAS

The Stallion License Law was enacted in 1910, creating the Kansas State Live Stock Registry Board to carry out its provisions for the Improvement of Horse Industry in Kansas. While the number of stallions licensed for Public Service has decreased year by year since the passing of the Law the season of 1922 shows a very considerable increase in the percentage of purebred stallions standing for public service over any other year as shown by these figures:

Year	Total No. Stallions Licensed	PUREBRED		GRADE		SCRUB	
		No.	%	No.	%	No.	%
1910	5,365	2,599	40.7	3,766	58.9		
1911	4,478	651	44.7	827	55.2		
1912	4,098	513	46.2	585	43.7		
1914	5,634	3,081	54.6	1,138	25.2	1,198	20.1
1915	5,735	3,224	56.2	1,361	23.6	1,151	19.1
1916	5,290	4,280	80.9	1,280	24.1	730	11.1
1917	5,448	3,371	61.9	1,203	22.2	874	15.7
1918	5,087	3,269	64.2	1,047	20.5	771	15
1919	4,439	2,994	65.2	835	19.1	610	15.6
1920	3,543	2,600	73.4	561	15.8	382	10.7
1921	3,080	2,309	76.	407	13.4	314	10.3
1922	2,557	1,979	77.3	327	12.7	251	9.8

These figures show that 77.3% of all stallions standing for Public Service in 1922 were Pure-bred as compared with 40.7% in 1910, and that the percentage of Grades and Scrubs combined has decreased from 58.9% to 22.5% all of which has been of direct benefit to the Horse Industry and at the same time of Great Benefit to the Stallion and Mare owner.

The Attention of the Kansas Stallion Owners is especially directed to the following statements and provisions of the law:

No stallion can legally stand for public service in Kansas without a state license issued by the Live Stock Registry Board; and all advertisements of every kind and nature, whether bill, poster or other advertisement, must have as a heading of such advertisement, the class of license issued for the said stallion and the number of his license: thus, "Pure-bred License No. ....," "Cross-bred License No. ....," "Grade License No. ....," or "Scrub License No. ....," as the case may be. In all advertisements this heading shall be set in the largest and boldest type used in the advertisement.

To obtain such a license certificate as herein provided, the owner of such stallion shall comply with the following requirements; first, the owner of a pure-bred stallion shall forward to the Kansas State

Live Stock Registry Board for inspection, the registry certificate or a certified copy of the registry certificate of such stallion, also other necessary papers or documents relating to the breeding and ownership of such stallion. Second, owners of cross-bred or grade stallions shall forward to the Kansas State Live Stock Registry Board affidavit showing the breeding of such stallion. Third, owners of scrub stallions shall forward to the Kansas State Live Stock Registry Board a statement of the breeding of such stallion. Fourth, the fee for such stallion license shall be \$2.00 and such fee shall accompany each application for license, provided, however, that in case the stallion was licensed previous to July 1, 1913, under provision of chapter 168, Laws 1909, the fee for a new license shall be \$1.00.

Each license issued by the Kansas State Live Stock Registry Board shall expire on December 31, of the year in which it is issued, but each license may be renewed each year, provided the owner of said stallion make application for renewal before March 1, following the date of expiration, and forward with such application for renewal a fee of one dollar for each renewal, and submit satisfactory evidence establishing the identity of stallions for which renewal of license is requested. Each renewal shall expire on December 31, of the year for which it is renewed. Failure to have license renewed, as herein provided, before March 1, following the date of expiration, shall forfeit the right of renewal and when such right has been forfeited, the owner of such stallion shall procure a new license as provided in section 2, of the Law.

The owner of any stallion licensed by the Kansas State Live Stock Registry Board to stand for public service in the State of Kansas or the owner of any jack standing for public service in the state of Kansas, shall have a lien for the amount of the service fee charged, on each mare bred to such stallion or jack, also upon the offspring resulting from such service, for a period of twelve months from the time of such service if mare bred does not produce a colt, and twenty months from time of service if she produces a colt from such service, which lien shall be enforced in such a manner as hereinafter provided.

Provided, however, that such lien shall not be enforced until mare shall foal from such service, except in cases where the owner at the time of service sells, trades, exchanges, or removes from county where bred, or attempts to sell, trade, exchange or remove from the county where bred such mare without first having paid the regular advertised service fee or securing in writing from the owner of the stallion to which said mare has been bred permission to sell, trade, exchange or remove from the county where bred.
