

**Q1: What is the name of the extension district or county in which you live?**

|                   | Frequency | Percent | Valid Percent | Cumulative Percent |
|-------------------|-----------|---------|---------------|--------------------|
| Valid Lyon County | 11        | 100.0   | 100.0         | 100.0              |

**Q2: Check the program development committee on which you serve locally:**

|   | Frequency | Percent | Valid Percent | Cumulative Percent |
|---|-----------|---------|---------------|--------------------|
| Valid Agriculture and Natural Resources | 1         | 9.1     | 9.1           | 9.1                |
| Community Development                   | 2         | 18.2    | 18.2          | 27.3               |
| Family and Consumer Science             | 4         | 36.4    | 36.4          | 63.6               |
| 4-H Youth Development                   | 4         | 36.4    | 36.4          | 100.0              |
| Total                                   | 11        | 100.0   | 100.0         |                    |

**Q3.1: Develop animal and crop production systems that thrive in the variable conditions of the Great Plains**

|                          | Frequency | Percent | Valid Percent | Cumulative Percent |
|--------------------------|-----------|---------|---------------|--------------------|
| Valid Somewhat Important | 3         | 27.3    | 30.0          | 30.0               |
| Very Important           | 7         | 63.6    | 70.0          | 100.0              |
| Total                    | 10        | 90.9    | 100.0         |                    |
| Missing System           | 1         | 9.1     |               |                    |
| Total                    | 11        | 100.0   |               |                    |

**Q3.2: Develop horticulture, forestry and alternative green enterprises that thrive in the variable conditions of the Great Plains**

|                          | Frequency | Percent | Valid Percent | Cumulative Percent |
|--------------------------|-----------|---------|---------------|--------------------|
| Valid Somewhat Important | 4         | 36.4    | 40.0          | 40.0               |
| Very Important           | 6         | 54.5    | 60.0          | 100.0              |
| Total                    | 10        | 90.9    | 100.0         |                    |
| Missing System           | 1         | 9.1     |               |                    |
| Total                    | 11        | 100.0   |               |                    |

**Q3.3: Advance new and improved systems of agricultural production to meet the needs of producers and consumers**

|                          | Frequency | Percent | Valid Percent | Cumulative Percent |
|--------------------------|-----------|---------|---------------|--------------------|
| Valid Somewhat Important | 5         | 45.5    | 50.0          | 50.0               |
| Very Important           | 5         | 45.5    | 50.0          | 100.0              |
| Total                    | 10        | 90.9    | 100.0         |                    |
| Missing System           | 1         | 9.1     |               |                    |
| Total                    | 11        | 100.0   |               |                    |

**Q3.4: Enhance the value of agricultural products**

|         |                    | Frequency | Percent | Valid Percent | Cumulative Percent |
|---------|--------------------|-----------|---------|---------------|--------------------|
| Valid   | Somewhat Important | 5         | 45.5    | 50.0          | 50.0               |
|         | Very Important     | 5         | 45.5    | 50.0          | 100.0              |
|         | Total              | 10        | 90.9    | 100.0         |                    |
| Missing | System             | 1         | 9.1     |               |                    |

**Q10: What local needs do you have**

A better way of getting the word out about what extension can offer all citizens.

Because of the poor economy we have now we need to reach community members with information about healthy eating, money management and information about resources available.

Identifying opportunities and assisting individuals to develop new career paths linked to the natural resources, culture or history of the area primarily in terms of self employment or new business partnership opportunities.

Low income and low-resource people need help to get the education that will allow them to develop self-reliance more than they need or want handouts. Our extension system needs help in establishing contact and working with underserved populations in o poverty, unemployment

Reaching minority audiences to get word out about what Extension can offer. Help keep our ag producers profitable and sustainable. Increase employment opportunities. Keep expanding the 4-H program while not forgetting that there are a lot of traditional 4-H

The survey has covered needs very well.
